- Biology, Chemistry, and Math Department Tutor (2011)

***Employment/Internships:***

- **Birmingham Botanical Garden Intern; Birmingham, AL** ( May 2011-July 2011)

Assisted in grounds maintenance, collections acquisition and accessions, botanizing trips, and organized the lath house as well as helping with volunteer work days.

- **Herb Pharm Herbaculture Program Intern; Williams, OR** (Sept. 2011-Nov. 2011)

Worked as a member of the farm crew (30 hours a week) and attend 12-17 hours of class a week on topics such as Medicine Making (tinctures, salves, hydrosols, essences, and oils), Anatomy, Nutritional Support, Propagation, Pruning and various other topics.

- **Barton's Greenhouse and Nursery; Alabaster, AL** (Jan. 2012 - Oct. 2012)

Assisted in potting, seeding, and caring for plants in a large scale production nursery.

- **Intern to Herbalist Thomas Easley RH (AHG); Andalusia, AL** (Nov. 2012 - Oct. 2013)

Responsible for filling formulary orders, managing the apothecary, making and wild harvesting medicines. I sat in on 212 of Thomas' clinic hours and reviewed approximately 123 cases.

- **All is Well Health- Health Food Store; Andalusia, AL** (Nov. 2012- Oct. 2013)

Co-managed All is Well in addition to being responsible for the automatic deductions accounts, sales and use tax payments, minor accounting, ordered supplements, and advised clients in their health.

- **Deep Roots Apotheké & Clinic/School of Herbal Medicine; Birmingham, AL** (Nov. 2013 - Present)

Envisioned, created, and ran a successful clinical herbal practice. Made the majority of the herbal medicines we used in our clinic prioritizing bioregional herbs.

Ran a school offering a year-long Family Herbalist Program and the flagship 10-Week Medicine Making Intensive course for 7 years. Taught over 40 classes and courses.

Created a product line offering broad spectrum, medicine cabinet style, high-quality botanical combination extracts to a local market for 6 years.

- **Eclectic School of Herbal Medicine; Lowgap, NC** (2020 - Present)

AFAB Reproductive and Hormonal Health Module Teacher
